

Nyack Boat Club: Guest Moorings and Transients

June 7, 2017

Location:

- By Land: 59 Gedney Street, Nyack, NY
- By Water: 41 05' 32" N 73 54' 49"W (about 1.2 miles Northwest of Tappan Zee Bridge Channel)

Nyack Boat Club welcomes visitors and has six (6) guest moorings available for transients making their way up or down the Hudson River. Guest moorings are available at a small charge for either day use (\$10/day) or overnight (\$25/night).

We do not take reservations for guest moorings, but space is usually available, except during a large-scale regatta when out-of-town regatta participants may occupy all the guest moorings ([see our calendar](#)).

Depth at low tide:

- 10+ ft. at all guest moorings
- 6+ ft. at our touch-and-go dock (east end of pier)
- 5 ft. at our outer finger dock (south side of pier)
- 6+ ft. at our mast dock (north side of pier)

Guest moorings can be found in the southeast corner of our mooring field. Each one has a pendant mooring buoy (cylinder shape, not a ball, with two pendants laid on top, out of the water – see image, you may not find a pick-up stick, only two pendants lying on top).

Following is a chart of the southeast corner of the Nyack Boat Club mooring field. You may use this chart to identify the locations of 6 guest moorings. The neighboring permanent member moorings are identified by boat type and boat name as an aid. Note, the moorings are in a zig-zag patten within the grid, as indicated.

Guest Mooring Procedure

The Nyack Boat Club Launch monitors VHF Channel 9. Please contact our launch operator to inquire about a guest mooring. We offer launch service from May through October – from mid-May to mid-September the launch operates Monday – Friday, 4 pm to 9 pm, and Saturday/Sunday 9 am to 9 pm. [Launch Schedule](#)

If you arrive when our launch is not in service, you may pick up a guest mooring and later register with our launch operator.

NOTE: When you depart, please be sure to lay pendants on top of mooring buoy, dry and out of the water.

Please inform our launch operator how long you intend to stay and pay our launch operator (cash or personal check payable to “Nyack Boat Club”). Once ashore, at the clubhouse please be sure to sign our guest register (in the front hall).

Guest mooring fees are \$10 for use for a single day between dawn and dusk, or \$25 per night (we will charge you \$25 the first night and then \$25 for each sunset that you occupy the guest mooring). We limit use of our guest mooring to 5 consecutive nights.

Note for members of HRYRA clubs only, we offer complimentary use of our guest mooring for one night at a time.

Use of Club Facilities

Guests are invited to make use of our facilities, including our launch service.

Note: No fuel. No marine head pumpout. Freshwater and 120V power available at our finger docks. Guests may not tie up at our finger docks except to take on water. If you have a dinghy, you may make use of our dinghy dock (north side of pier).

At the clubhouse you'll find ice (self-service, please leave cash in the box), bathrooms and showers, vending machines, and our snack bar (May through September; Wednesday, Friday, Sunday, and occasionally other days). Feel free to use the picnic area and grills. Please do not use the kitchen.

Dogs and pets are not allowed on Club property except on leash being taken directly to or from a boat.
